

Ku'i Ka Lono

Tenth Annual Indigenous Education Conference

MARCH 8 - 9, 2012

Thursday and Friday

8:30 am - 4:30 pm

**Waikīkī Beach Marriott Resort & Spa
Honolulu – Island of O'ahu**

Native designed and controlled public charter schools will share their educational practices and accomplishments among themselves and with other Indigenous educators, parents and other interested stakeholders. By sharing strategies for success, such as "EA-Education with Aloha", this conference hopes to help all native communities create quality culturally-driven schools and programs that empower native students to walk successfully in two worlds and assure that No Child Is Left Behind. Thursday will focus on student, teacher and community presentations with an evening of cultural performances. Friday will focus on public charter school visits and service learning projects.

Join us in celebrating a decade of EA-Education with Aloha!
